3. G&O Maritime Group ensures fair and transparent data processing

- 3.1 When G&O Maritime Group requests your personal data, you are informed as to which data is being used and to what specific purpose. This information is available to you at the time of the collection of your personal data.

3.2 If G&O Maritime Group collects your personal data from other providers such as a public authority or business partner, you will be informed hereof no later than 10 days from the collection of the data. G&O Maritime Group must also disclose the purpose of the data collection and the legal framework permitting G&O Maritime Group access to your personal data.

4. Types of data collected

4.1 G&O Maritime Group uses personal data processing for in connection with trade (customers and suppliers). Processed data cover: name, telephone number, email, and if applicable for cooperation address and bank account information.

4.2 Additionally G&O Maritime Group may process personal data actively transferred to G&O Maritime Group by that same person.

5. Application and storage of collected personal data

5.1 The purpose of collecting and processing personal data is to be able to trade.

6. Storage

6.1 The information is stored for the allowed period of time only, and is deleted when the personal data is no longer required by G&O Maritime Group. The duration of the time period depends on the type of the information and the reason for the storing.

7. Transmission of personal data

7.1 G&O Maritime Group may transmit personal data to a third party only in compliance with regulations stated in this privacy policy.

7.2 G&O Maritime Group may transmit or share personal data in order to abide by a judicial obligation. Transmission of data may also occur following directions by the court or other public authority for trademark protection, privileges or property rights. This includes the exchange of data with other companies and organisations as safeguard against fraud.

7.3 G&O Maritime Group makes use of service providers and data processors acting on our behalf. These services include hosting and system maintenance, email service etc. Business partners have access to our data to the extent necessary to do their job and deliver requested services. Business partners are contractually obligated to handle data in absolute confidence and are not authorised to use data for any purpose other than those contractually stated to G&O Maritime Group. G&O Maritime Group supervises that business partners meet their commitments in this regard.

7.4 Should G&O Maritime Group in exceptional cases transmit personal data to a service provider or data processor outside of the EU, G&O Maritime Group guarantees this data transmission happen in accordance with legal requirements.

8. Cookies

8.1 What are cookies?
